

## COE Engineering Camp Policy 2024

We have designed the COE Engineering Camps' cancellation policy to allow as many participants as we can accommodate to attend and to avoid unused spaces at camp.

### **Waitlists:**

Once a camp has filled up, we will start a waitlist for the camp. We will accept participants off the waitlist on a first-come, first-served basis and notify participants via email with the link to submit payment. Participants must submit payment within 5 business days, or forfeit their spot on the waitlist.

### **Payment Due:**

Payment is due in full 5 days after the student is accepted to camp. Email communication will be sent once a student is accepted that includes the information regarding payment and the link to the payment portal.

### **Scholarships:**

A limited number of need-based scholarships are available. You can request a scholarship as part of the application process.

### **Cancellations:**

Canceled registrations are non-refundable within 14 days before the camp program. Refunds will not be granted after that time. We reserve the right to cancel due to low enrollment. In the event that a camp is canceled, participants will receive a full refund.

Transfers between COE Engineering Camps are subject to availability.

*All cancellations must be made in writing to [eng\\_camps@uah.edu](mailto:eng_camps@uah.edu).*
